Dear Colleagues,

We invite you to participate as an exhibitor in the 2007 Annual Conference of the American Association for Aerosol Research (AAAR), September 24-28, 2007, in Reno, Nevada.

AAAR is a non-profit, professional organization of scientists and engineers who wish to promote and communicate the technical advances in the field of aerosol research. It is an international organization recognized for the high technical quality of its annual conference.

Vendor exhibits are an increasingly important component of our association's annual conference. It is an opportunity to show your products and services to premier researchers in the field of aerosol science and technology.

Exhibits begin Monday evening, September 24, and continue through Thursday, September 27. The exhibit hall floorplan and space application is enclosed. Booths are located in the same room as the breaks and posters to ensure maximum interaction with the attendees. Please consider becoming an organizational member or advertiser.

We encourage you to return your application now. Space is allocated on a first-come, first-served basis. As in past years we expect a sell-out. We hope your company will be of those present!

Thank you for your continued support. If you have questions or suggestions, please contact Robin Geary, Exhibits Manager, at 856-439-0500 ext. 4479 or Tyler Beck at 612-328-2722.

Sincerely,

Tyler Beck
